

Notes from Debbie

Career Coach

Greetings! It's been awhile since I have sent out a **Notes from Debbie!** I am going to use this venue to communicate tips, ideas, and offers I will be providing to folks who need my assistance in the area of career transition and executive coaching. So feel free to pass along!

Remember, you don't have to navigate career transition alone. I can help and together we can have you hit the ground running!

Be well and happy,

Debbie

Need a Resume that gets you the job you want?

Resume writing for all experience levels

Debbie is a seasoned Career Coach with 10+ years' experience helping hundreds of people in career transition, including professionals, executives, college graduates, and folks exiting the military. She knows what it takes to build a resume that effectively markets you so you can get the job you want. She will:

Showcase your strengths

Ensure your resume is targeted to your market

Create a resume that's an effective "marketing brochure" for you

Help you transition to a completely new field of work

Debbie gives you the tools to build the resume, then she will edit it so it includes powerful, appropriate business and marketing language. This helps you to be better prepared for interviews because you built the document!

Call or e-mail Debbie

215-918-0180 or Debbie@oxmangroup.com

to discuss how she can help you create a resume that gets results!
